School Registration: Remember to register your student(s) asap. Your student(s) will be considered registered when the entire packet is filled out, returned to the school office and your registration fees are attached. The packet consists of: registration form(s), tuition schedule, SMART TUITION, emergency and medical forms and media form. Other forms will be sent home during the first week of school next August. Be sure and register your students before the Open House on Sunday, Mar. 11th. At that time registration will open up to outside SJS enrollments. Please stop by the school office and pick up a New Student Registration Form for any **new siblings and/or Kindergarteners** that will be attending SJS next year. Please remember your registration fee is due at the time of registration. If you need a Promissory Note regarding registration fees, please let the school office know. We will be happy to help you any way we can!

SCRIP News: Stop by the scrip table after Mass, or the school and Parish offices to see what we have to offer.

Open House in March is approaching quickly. This is the time for our annual Book Fair. If you are available to help with the book fair at lunch time or after school during the week of March 11-15, please call the office and leave your name and phone number or contact Mrs. Hattermer in the library. Funds from the book fair allow us to purchase materials and contract authors. Your support is appreciated.

The Women of St. Joseph's now have a website which includes the upcoming Women of Grace Conference registration form. Please see: <https://sites.google.com/site/womenofstjosephs/>
